## Prez Sez 2015

### Prez Sez 2015

Happy Spring!

Spring is off to a busy start and will stay that way for a while now with lots of car shows and events. We have so many of our club members attending shows and winning trophies that I want to congratulate you all and let you know how much it is appreciated that you represent the club so well.

Our Valentine's Mystery cruise to Crabby Bill's restaurant in St. Cloud was a huge success with 89 members and 45 cars! It was a beautiful drive, the restaurant was very accommodating, and the location was directly on the river. Thanks to Carol & Frank Taravella for finding this little gem.

Maureen has been the leader again this year in the March of Dimes “March for Babies” that will be held Saturday April 25<sup>th</sup>. Last year the club gave a generous donation thanks to the members that donated money and the club matching those funds. It is a great cause and the Corvettes get to lead the walkers out of Space Coast Stadium, we are the only Corvette club to ever do this and it is a real honor.

As you all know we are looking forward to our annual “Vettes at The Port” show April 18<sup>th</sup> which is our biggest event every year generating a substantial amount of money for the charities we support. Thanks to Randy Anderson, his Port Show crew, and you the members that have worked hard getting donations and will be helping the day of show we hope to be able to surpass last year’s numbers.

Easter will be upon us on April 5<sup>th</sup> which is the date of the monthly Fishlips brunch that has been cancelled due to the conflict. We will resume the brunch in May and I hope that everyone enjoys family and friends on this special day. Enjoy the wonderful weather and have a great spring, hope to see you soon!

# Vettes at the Port

**Saturday April 18, 2015**

Cape Kennedy Corvette Club's largest fund raiser of the year is right around the corner! Mark your calendars and plan your day for "Vettes At The Port", Saturday April 18, 2015.

I am pleased to say everyone is going above and beyond the call of duty to make this event bigger, better and more fun than the year before!

We will have numerous vendors so play to come and buy!

Last year we had great success raffling our Power Wheels C7 corvettes. We will be giving away 4 cars this year with the proceeds going to support Make A Wish. There will be a silent auction supporting the National Kidney foundation local projects.

Raffle tickets are on sale for the Power wheel corvettes. Tickets are only 1 dollar each and with each ticket you purchase it gives you 4 chance to win!

Just like the Big Boys complete with Cape Kennedy Corvette Club decal.

Own a C-7 Corvette for only 1 dollar! Spend 1 dollar and get four chances to win!

So every ticket you buy gives you four chances to win!

This is all for a good cause. Your help will be greatly appreciated!

## **2015 NCCC Convention**

Registration for the 2015 NCCC Convention registration is still going on. A number of us are going to the Pocono's for Convention and to Vettes at Carlisle.

If you are interested or have questions look at [www.corvettesnccc.org](http://www.corvettesnccc.org) for information.

### **The Vietnam Moving Wall Sunday, April 19th**

The Vietnam Moving Wall exhibit is one of the most moving and awesome events of the year. Many Corvettes and thousands of bikers will gather at Eastern Florida State College (old BCC) on Clearlake Avenue in Cocoa. We are supposed to begin meeting at 9:00 a.m. All vehicles enter on the north side of the school. Someone will be there to direct Corvettes to the line up location. Bring water or drinks since it is supposed to be warm.

I think the parade begins at 10:00 a.m. and we follow the sheriff's deputies down US 1 to the turn to Wickham Park. When we get to the park, we will stop for a few minutes. Usually we go Captain Katana's on US #1 near Post Road in Melbourne to eat lunch afterwards.

### **When are Waivers Required to be Signed?**

All Sanctioned events? Yes. All Non-Sanctioned events if required by the Competition Rulebook. All Club Sponsored car shows for participants & workers only. Parades, for driver and passengers, including anybody you are carrying in your car.

GENERAL: Signing a waiver for "Club Sponsored Events", maintains good Risk Management. Even though the events are not sanctioned, all responsibility falls upon the organizer of the event. It is best practice to indemnify your club from subrogation that the claimant may bring upon your club
