## PREZ SEZ

Happy Autumn to all of our members!

I am counting on a much less dramatic Fall now that Hurricane Ian has left our doorsteps. And I'm hopeful none of you experienced any major damage to your home and property.

*President Janice Greene*

The club has been very active this summer with trips to Elliott's Steak House, The Catfish Place, the monthly Corvette Ladies Breakfast and our recent Poker Rallye. We hope you've taken the opportunity to take part in one, or all, of these events. We are also coming up on our busy season of autocrosses, our annual Holiday Party, and my personal favorite, our Toy Run! More to come on that soon so please mark your calendars for the first Saturday of December for that fun event.

Election time is upon us at CKCC where we elect members to the Board of Directors for the upcoming year. As per the by-laws, you must have attended a total of five (5) membership meetings to be eligible to vote. Due to our cancelling the July meeting we have reduced that number to four (4), giving you credit as if you had attended the July meeting. Elections occur during the November meeting, so please be sure to attend.

The July Spoiler was not produced because of lack of activities other than brunch (see photos on page 4) and the cancellation of the Board and general membership meetings due to a Covid outbreak.

Our snowbird members will be arriving

back in Florida soon and we are always happy when they return. It's good to see old friends. All of you traveling south, please be careful and know we look forward to seeing you soon.

Another huge welcome to our new members who have joined during this past year. We hope you have found a family here at CKCC. We are very glad you have joined us.

I look forward to enjoying the upcoming fall, winter and holidays with CKCC. Be sure to join in the activities.

Happy Halloween, Happy Thanksgiving, a hearty Merry Christmas and any other holidays you celebrate!

*Janice*

# August Cruise-In to The Catfish Place

*By Lois Lacoste*

Cruising to The Catfish Place restaurant in St. Cloud on Saturday, August 20th did not disappoint! Eighteen beautiful Corvettes met at the Sam's Club on S.R. 520 off of I-95 in Cocoa at 2:00 p.m. for a wonderful relaxing drive on Nova Road to U.S. 192 and into St. Cloud. Once again (this was our second visit) we had our own private dining room, two great servers and oh "so delicious" catfish with all the favorite side dishes. Including the members who met us there, a total of 40 of us enjoyed a great meal and lots of good conversations.

President Janice Greene gave the two servers a heartfelt thank you for hosting our cruise-in and for their gracious hospitality.

Everyone enjoyed the weather, the cruise-in and the dinner and fellowship. And, as may be expected during this time of the year, a light sprinkle of "Florida liquid sunshine" escorted some of us on our way home.

# August & September Brunches

## September Cruise-In to Elliot's Steakhouse

*By Lois Lacoste*

On Saturday, September 24th at 1:15 p.m. 17 beautiful Cape Kennedy Corvettes cruised north on U.S. 1 from Sand Point Park in Titusville to Elliott's Steakhouse in Edgewater, formerly the Florida Roadhouse Grill that our club visited in 2017 and had a great time. However, the restaurant's new management gave us a royal welcome with a coned and taped off parking area just for our Corvettes – what a beautiful sight — and servers met us at the door of a private room they had set up just for us! Everyone appreciated the great variety of dining choices on the menu and the food was delicious. Service was excellent too and all the club members enjoyed a fun dining experience and lots of good conversations. We ended the dinner by gathering together for a group photo and even a video in front of the restaurant's beautiful wall mural.

Hope you can join us as our club supports the Space Coast Corvette Club car show in downtown Melbourne on Saturday, October 15th. Their club always supports our show

with several members entering cars. And 5th Avenue is a great venue with a lot of shopping and dining choices behind the Corvettes lining the street.

# Ladies Breakfasts

By Becky Strain for Marilyn Lewis

In August the CKCC Corvette ladies met for our monthly breakfast at *Palm Shore Bistro* in Rockledge, one of our favorite places and there were 14 in attendance. We all have a great time catching up and getting to know each other.

On September 21 we met at *Victoria's Family Restaurant* in Merritt Island. There were 13 ladies in attendance and the breakfast was very good.

From what we heard, Victoria's has been sold and is now under new management. The new name will be *Whisk & Grind*. I'm not sure if we had the old or new menu since I have

never eaten there before. However, it was definitely worth going to if you haven't tried it.

If you'd like to attend these breakfasts with us, we meet the third Wednesday of each month at 9:30 a.m. The next breakfast is October 19th at *My Island Pancake House*, Melbourne. Watch your email for the invite.

## Our First Rallye in a Decade

*By Veronica Duys*

*Administrative Assistant to the CKCC Governor*

CKCC hosted a NCCC Sanctioned Rallye for the Florida Region on September 17th. There are many types of Rallyes described in the NCCC Competition Manual. At the annual NCCC Convention one of the events is always a Gimmick Rallye. Each car must have a driver and a navigator. At the start, the navigator is given a packet with driving instructions and Gimmick questions that need to be answered along the route. The questions can be fill in the blank, riddles, word scrambles (TALES =TESLA), or finding/counting items (flamingos, cannons, etc). Cars are started at intervals, so the lead car does not tip off the following cars as to the clues. The directions can be obvious or challenging (take the third right after the Fire Station). Chance or Poker Rallyes are also popular, and usually a component of the event in Florida. The hand is completed by drawing a card at the start, three checkpoints and the finish.

## GIMMICK RALLYE

This event consisted of two Gimmick Rallyes – questions along the route before #1, and after #2 Ecklers; and two Chance Rallyes – Driver and Navigator Poker Hands. The starting point was Kelly Park East. The checkpoints were near the Brevard Veteran's Museum, the Moose Lodge, and Eckler's. The finish was at Chaparral Mexican restaurant in Cocoa.

Zach and I started planning this Rallye in April. Initial plans were to end in Cocoa Village, but we could not find a restaurant that had space to set aside for us, and sufficient nearby parking so we changed the route to end at the selected restaurant. We had planned for one of the clues to be within the Brevard Veteran's Museum. Three days before the event we learned they would be having a dedication ceremony for a new memorial statue and there would not be room for us to enter the venue. Fortunately, there was adjacent parking on the other side of the park, and we were able to use that area.

Tammy and Al Sulsona served as our first Rallye checkers, and we found the route was too long before Eckler's and too short

*Continued on next page*

afterward. This would have had Eckler's closed before half of the entrants had passed through the checkpoint. So we shortened the route through South Banana

River Drive and Newfound Harbor, and added a loop through Cocoa Village to give a 2.5 hour course.

The night before the event Steve and Lesley Goodbread served as Rallye Checkers, and with all the rain we had one of the neighborhoods we were going to drive through near Eckler's was close to flood stage (you missed seeing a BelAire and a Mystery machine mailbox). So the paperwork was adjusted one last time, and the packets barely finished printing in time to set up registration Saturday morning,

Merrill worked the checkpoint at Moose Lodge, Steve and Lesley Goodbread worked the checkpoint at Eckler's. Zach and I handled the finish check in.

Lesley Goodbread sold 50/50 tickets at the start and finish. Steve Goodbread ranked the poker hands, and Judi Merrill helped me score the Gimmick Rallyes.

The Gimmick Rallye was designed to be challenging to hopefully eliminate the possibility of ties, yet there were many. Distance was used as the tie-breaker for Gimmick Rallye #1, and the Bonus Questions handed out at the finish were used as tie-breakers for Gimmick Rallye #2. I re-scored all the Gimmick Rallye packets and recalculated finishes, and there were some

## **VOLUNTEERS HELP MAKE IT HAPPEN**

Twenty driver/navigator teams arrived ready for the challenge. Lesley Goodbread and Lynn Kassebaum helped with registration. Steve Goodbread and Bill Kassebaum completed Tech sheets with all the entrants. Zach Duys served as Paddock master. David Glenn and Bob Hill were the starters – handing out the packets and releasing the cars to the course. Mike Schultz (new member) and Steve Hepp worked the first checkpoint. Judi and Dick

changes from what was announced at the event (fast isn't always accurate). I will have the packets at the November meeting for anyone who wants to review them.

## **GIMMICK RALLYE WINNERS**

Gimmick #1: 1st – Amy and Ellen Schwartz, 2nd – Reed Hadley, and 3rd – David Elseroad. Gimmick #2: 1st – Samantha and Beth Cavallaro, 2nd – Cliff Payne and Fran Beach, and 3rd – Bill and Lynn Kassebaum

*Continued on next page*

### POKER HAND RALLYE WINNERS

Driver Poker Hand: 1st – Janet and John Hoy, 2nd – Reed Hadley, 3rd – Phil Strode and Becky Strain

Navigator Poker Hand: 1st – Cliff Payne and Fran Beach, 2nd – Janet and John Hoy, and 3rd – Diane Tingley-Nagel

50/50 Raffle: \$100 to St.Jude's Children's Research Hospital and \$100 to Fred Dugach and Donna Huddle.

**TOTAL RALLYE EXPENSE: \$268.16**

**TOTAL INCOME: \$525**

I hope time has allowed you all to have forgiven me for the challenge, and you are ready to run another one. It's not posted yet but I understand *Vettes for Fun* is planning one for December 5th, the day after our Toy Run. I would also be happy to assist anyone who wants to take on planning a Rallye. Each of the four events earned 28 points by the workers or 112 for the day. We would have

had more but some of the workers did not sign the waiver (and two were waiting on activation on the National registry). Gimmick #1 – 129 points, Gimmick #2 – 81 points,

Driver –117 points Navigator – 111 points; or 438 points for the day. We again lost a few club points due to lack of signatures on the waiver. As with everything in life, the paperwork always needs to be completed for full credit. The event earned CKCC 550 points, which should move us up from 11<sup>th</sup> to 10<sup>th</sup> place Nationally.

Fall Autocross Season is starting so we should continue to make gains. We need workers to make the events run smoothly and your efforts will help us in the national ranking.

# National Council of Corvette Clubs Report

By CKCC Governor  
Zachary (Zach) Duys

The National Council November meeting will decide the next President, Dave Heinemann or our Florida region RE Deb Murphy. A NCCC member since 1967, Dave has been the NCCC Parliamentarian and President in 2015. Deb has 25 years with NCCC and has a web page to list all her achievements. For the office of Treasurer there are two candidates, Kay Clawson and Ron Zurek. Three positions unopposed are Public Relations – Craig Kamradt, Parliamentarian – Denny Luther, and VP Membership – Steve Johnson.

## SAFETY ISSUES AND RULE CHANGES

The NCCC Florida Region had a meeting on September 18. We discussed safety issues, event requirements and many of the rule changes that were proposed at the September NCCC meeting.

Number 1 on the list was WAIVERS MUST BE SIGNED BY EACH INDIVIDUAL at each event, this includes rallies, car shows, cruises and autocrosses. Please note, NCCC doesn't want spouses and friends signing for attendees. Second, any person that violates a required safety rule may be ejected from the event without refund.

## COMPETITION MANUAL

NCCC has four National Governors meetings each year in St Louis to handle the business side of our organization. The Regional Competition Directors (RCD) also attend these meetings to work out issues involved in running Autocrosses, Car Shows, Rallies, etcetera. There is a Competition manual that governs all functions and it is typically updated every two years. There were many changes proposed for the 2022- 2024 manual,

and it had been decided no line item veto would be allowed. While the RCDs make the proposal, the NCCC Governors actually vote on it. A yes vote would have instituted the new manual and a no vote meant continuing to use the 2020-2022 Competition Manual. Several of the proposed changes were very controversial and so the new Manual was rejected. The RCDs have suggested allowing line item voting for the next manual update (2024-2026). At each National Meeting proposed rule changes (by any NCCC member) are discussed and approved, rejected or tabled by the RCDs. They will produce a list of changes by summer 2023 for the Governors to vote on the Competition Manual in Fall 2023.

## NCCC SANCTIONS

Two of the changes proposed and approved by the RCDs for the next manual are: 14 sanctions per club per year (we only receive 10 sanctions under current rules). Eliminating ballots in entry packets for People's choice shows.

Our club currently 'buys' sanctions from clubs that do not host sanctioned events to cover the number of events we host. The change from 10 to 14 sanctions is based on the fact that most clubs host a 14 event weekend autocross, and this would be able to occur without buying additional sanctions.

## CAR SHOW AND AUTOCROSS ISSUES

There were also several rule clarifications to take effect immediately, including changing the *People's Choice Concourse* name to the *People's Choice Car Show*; allow another judging category like Mayor's Choice; allow

*Continued on next page*

people who are not able to walk an autocross course to use a unpowered mobility vehicle.

A third safety clarification to be put into effect immediately is **ELECTRIC VEHICLES USING LITHIUM BATTERIES ARE NOT ALLOWED** at our autocrosses or high speed events.

#### **OLD BUSINESS**

##### **CKCC New Trailer Update**

The new CKCC storage trailer has been bought and licensed. It is currently being stored at Bob Decardenas home. The trailer will need some interior work to install shelves, etc. before we can use it. More details at the next meeting.

#### **CKCC By-Laws**

By-Law changes will be voted on next meeting. There was not a quorum at this meeting.

#### **CKCC Rallye – September 17, 2022**

Veronica Duys reminded the membership of the upcoming CKCC Rallye. This is the first Rallye that CKCC has put on in many years. Veronica stated she still needs workers to help with the events.

Please meet at Kelly Park East for the event. The CKCC Rallye will be 4 events consisting of two gimmick events and two chance (poker) card events.

Registration will be from 9:30-10:30 AM. Veronica stated that you can register/pay the day of the event.

Driver's meeting will be at 10:45 AM.

First car out at 11:00 AM with 2-3 minute spacing between cars.

#### **NEW BUSINESS**

Janice reminded everyone that to vote in the upcoming elections you must have attended a minimum of five (5) general membership meetings. This will be verified by the sign-in sheets. Since we had no meeting in July, everyone gets a free month. Janice stated that absentee ballots are possible, and the details will be provided next meeting. There appears to not be any requirements for a quorum to be present to hold the elections. A simple majority determines the winners.

#### **ADJOURNMENT**

The meeting was adjourned at 7:56 PM by President Janice Greene.

CKCC Meeting Minutes recorded and submitted by Bill Kassebaum, CKCC Secretary.
