Prez Sez 2014

Hello Fellow Members,

Hope everyone is enjoying the summer and staying cool! It is almost time for the big event that so many have been waiting for, the NCCC convention in Savannah, Ga. August 25th – 29th. At last count we had more members going than any other Corvette club which is something we should all be proud of!

Last month we lost a dear member of our club, Mike Matthews. Mike was a past president many years ago and even though he and wife Peggy were not as involved in the club the last few years, they still kept in touch with many members and Peggy is one of the regulars at the Wednesday Corvette Ladies breakfast. Mike will surely be missed and we hope Peggy and the family know how much they are thought of in the Corvette community.

Because of the heat and daily rain, not a lot has been going on this summer. However we had over 60 people at the August Fishlips brunch and afterwards went to Parker Brothers Concepts, which is also out at the Port. It was a lot of fun and we got to see some movie cars like the Batmobile, awesome motorcycles, and other creations by these two talented brothers. We certainly thank them for

the tour and hospitality, the brothers were available and answered a lot of questions for us. Look on our CKCC Facebook page for some great pictures.

Several of our members went on a 19 day cruise to Rio de Janeiro and returned the Saturday before Fishlips. A few came to the brunch and had great pictures and stories about the wonderful time they had.

It is amazing to see so many new Corvette enthusiasts joining the club, there are a lot of new faces and if you see someone you don't recognize please go up to them and introduce yourself, you may be surprised how much you may have in common besides Corvettes. I have also gotten many wonderful comments from several members that joined earlier in the year, mostly on how nice and friendly everyone is, and they are thrilled that they joined. As I always say, we do have GREAT membership in our club!

There are a few of our members that are having some medical issues and I believe I speak for the club on sending well wishes to them all.

Until next time, enjoy the rest of the summer and hope to see you all soon!

CKCC Won the award for the most attendance at the 2014 NCCC Convention!!

What a blast! We had a total of 33 members at the 2014 Convention. Those attending were Lloyce Campbell, Jerry & Kathi Danella, Richard & Christine Dobsha, Bob and Evelyn Fitch, Nancy Fruit & Gary Regner, Don & Barbara Mennillo, Dick & Judi Merrill, Jim & Karen Patterson, Bob & Susan Pietrasko, Neil & Vivien Pogeler, Bill & Patsy Shearer, Charles & Miriam Sikes, Larry & Susan Smith, Brenda Teixeira, Tony & Alice Valdes, Charlie & Jane Acton, and Rick Sherlock and his daughter Nora.

Ask Charles about the Hospitality Room at Convention! I think everyone enjoyed visited it. The first event was the awards banquet on Monday night.

Tuesday night was the “Gone with the Wind” party. Note the costumes of CKCC members below. We really got into the theme. Brenda won first place for the best female costume. The prize was a tire/Corvette clock.

During the day on Tuesday members participated in the Ralley and Golf tournament. Bill, Rick, Jim and Nora entered but did not win. The Ralley was a Poker Ralley. The best place on the ralley was Neil and Vivien at 19th.

Gone With the Wind Night

The Winning Costume

Wednesday was the funkhana, low speed event and the matching time trials. All of this was held on the hotel property. Jim Patterson came in 1st in his class. Also that night was a 40th Anniversary party for Mid America. Club members signed a card and presented it to Mike Yeager. Look for his thank you e-mail.

Thursday was the high speed event at Roebing Road raceway. The track is about 20 miles away. None of our members entered due to the need for roll bars on convertibles.

After the speed event we took the River Boat cruise. The food was excellent and all seemed to enjoy the cruise.
